NATIONS CHURCH HOUSTON

### About the Family

Greetings from the Brents family! We are Buddy and Melanie Brents. We are Texas natives and have served in churches in Texas, Tennessee and Alabama. We also served 16 years with the International Mission Board in Japan. We have four adult children and awesome grandchildren!

We are blessed to serve the Lord and be part of reaching the nations in Houston, Texas.

### About My Ministry

There are more than 350 nations here in Houston. Definitely the saying, "You don't have to go far to reach the nations," is true of our city. Our vision is to see multiethnic churches planted all over Houston. We have a passion for sharing Christ and making disciples.

Our church is called Nations Church Houston. Our first official Sunday as a church was September 25, 2016. We began with 24 members from eight countries and three continents. At present, 50 to 60 people are coming each week with 17 countries represented. We have also started two more churches and began our third work in the summer of 2021. God is at work in Houston among the nations!

#### PRAY.

Pray the Lord will continue to put people in our path who are hungry for the gospel!  
Pray the Lord will bring a bilingual church planter who speaks Spanish to help us minister to our Hispanic community.

#### PARTICIPATE

We are looking for missionaries, church planters, interns and short-term volunteer teams who have a heart for the nations. The world is here in Houston, and you don't have to travel far to take an international missions trip!

#### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant.
