### DISCOVERY CITY CHURCH

### About the Family

I was born into a pastor's home and accepted Christ at the age of 12 on the final night of a Vacation Bible School. I grew up all over the U.S. and was instrumental in helping my father in the early years as a full-time traveling evangelist. I felt my calling to preach in middle school at a summer Bible camp and later attended Baptist Bible College, where I met my wife, Amanda. We married in the summer of 2007 and welcomed our first child, Jack, in 2008.

### About My Church Plant

In 2009, I graduated with a Bachelor of Science in Pastoral Studies, and we accepted our first youth ministry position. Our second son, Joshua, was born in 2010, followed by Evelyn in 2013, Ethan in 2014, and Evan in 2016.

I have served as a youth pastor for eight years in Texas, Ohio and Pennsylvania. Amanda and I spent a year on a church plant team in Hilliard, Ohio. We felt called to plant a church in Canal Winchester, Ohio, in October of 2016. We moved to the area in July, 2018.

Find out how you can  
**Pray.**  
**Participate.**  
**Provide.**

#### PRAY.

Pray the Lord will provide our church with a permanent location. Meeting in a school has been great, but a more permanent solution would be a huge help!

Pray for our leadership and core teams growth. We are so excited about who the Lord has brought to us to serve alongside of this new work.

Pray doors will open as we seek to do community outreach. Pray God would provide in-roads and avenues to reach out.

#### PARTICIPATE

We are seeking financial partners and prayer partners. We would love to talk with you about all that the Lord is doing here!

We are looking for short-term missions teams to come and serve with us.

#### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.
