CENTER POINT CHURCH

About the Family

We met while in college through our local church and got married in December 2022 during our senior year. Quickly after, we felt a call to full-time vocational ministry at the University of Kentucky. We both have personal testimonies of how being involved in a campus ministry changed our walks with God. In college, we learned what it truly meant to live out our faith and to be a disciple of Christ. We fell in love with the city of Lexington and are so excited to continue to serve the Lord in the city where we met.

In our free time, we love visiting local coffee shops, playing board games, and being dog parents to our pup, Bear!

About My Ministry

We currently serve with the University of Kentucky Baptist Campus Ministry (UK BCM). Our mission statement at the UK BCM is "Find community. Follow Jesus. Change the world." We love playing a role in living out this statement by integrating students into our community, investing in their personal and spiritual lives, and equipping them with the gospel. College students are such a strategic missions focus because of their openness and willingness to hear and accept the gospel. By learning to follow Jesus in college, students are being trained to live their entire lives for Jesus! Our hearts are to help shepherd leaders who want to radically change the world with the gospel of Jesus Christ.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for boldness to share the gospel and open hearts among the people on the University of Kentucky campus. Pray that through this ministry, students will become lifelong, multiplying disciples of Christ. Pray our student leaders may feel loved, cared for and encouraged. Pray that we would raise a team of partners who support us in prayer and financially so we can continue to minister to college students.

PARTICIPATE

Commit to partnering with our family and ministry through prayer and giving. Receive and read our monthly prayer letters. Pray with your family, loved ones, or small groups that the light of the gospel will be proclaimed on college campuses all over the world.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
