COMPASS CHURCH

About the Family

Shanni and I are originally from Colorado and have now been reaching college students, young professionals and families in the San Diego State University area through our local church plant, Compass Church. I began as an associate pastor in 2018 on the founding planting team. Now, I have moved into the lead pastor role of Compass and am eager to see the Lord work in this city we have come to love.

Shanni is an amazing mom to our two sons and our adopted daughter. She enjoys meeting ladies for coffee, asking intentional questions and often beating me in board games. I enjoy playing music, watching movies, being outdoors and spending time with my family. We have been partnering in ministry for nearly 10 years.

About My Church Plant

Compass Church is our church plant (launched 2018) to reach those around San Diego State University (SDSU). There are 200,000 college students in San Diego and 35,000 at SDSU with whom we are reaching. Compass is praying to be a sending base, where many are trained up and sent out. We have military personnel at our church, families with a few kids, many young professionals and even more college students.

With our giftings, my family and I desire to share the gospel and offer opportunities for people to respond to a new life in Christ. Then, with His help, train them to live missionally in their homes and workplaces, living as lifelong disciples of Jesus.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray for me as I lead in the lead/senior pastor position. Pray I will lead with vision, care and prayer.
Pray for our staff and leaders in Compass Church as we send out laborers into the harvest field.
Pray for receptive hearts among the people in the communities where we are serving.
Pray for greater ministry opportunities to the new area. We are meeting in a building at San Diego State University campus on Sundays.
Pray the Father will send more workers into His harvest to join us.
Pray God will raise up leaders to be sent as future church planters, missionaries, and believing laymen.

PARTICIPATE

Financially support the church with a one-time or recurring gift that allows Compass to reach more with the gospel. Be a partner church with the work at Compass, by mobilizing teams to help throughout the year. Be a personal financial or prayer partner to my family. We are financially supported through people like you.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
