COMPASS CHURCH

About the Family

Shanni and I are originally from Colorado where we worked with university students at Colorado State University through a para-church ministry. Similarly, we have been reaching college students, singles and families in the San Diego State University area through our local church plant, Compass Church.

Shanni is an amazing mom to our two sons and adopted daughter. She enjoys meeting ladies for coffee, asking intentional questions and often beating me in board games. We have been partnering in ministry for years, while married.

We have a deep conviction that the local church is vital to pushing back spiritual darkness and that the ones reached, like university students, will be the ones to win the world for Christ. I (Cam) enjoy playing music, watching movies, being outdoors and spending time with my family.

About My Church Plant

Compass Church is a church planted (launched 2018) to reach those around San Diego State University. Only 0.5% of the population in our area of the city are evangelical Christians, so the goal of Compass Church is to help people "Find and Follow Jesus."

With our giftings, my family and I desire to share the gospel and offer opportunities for people to respond to a new life in Christ. Then, with His help, train people to live missionally in their homes and workplaces and live as lifelong disciples of Jesus.

Pray.
Participate.
Provide.

PRAY.

Pray for our staff and leaders in Compass Church as we send out laborers into the harvest field.
Pray for receptive hearts among the people in the communities where we are serving.
Pray for greater ministry opportunities to the new school we will meet in (Hillel Jewish Center at San Diego State University campus).
Pray the Father will send more workers into His harvest to join us.

PARTICIPATE

Please prayerfully consider connecting as a Supporting Church with our work at Compass, by mobilizing teams to help throughout the year, financially supporting us monthly as we work to reach San Diego and becoming an intentional prayer partner. We are trusting God to provide for our needs, so a lasting and eternal impact can be made through His church.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
