REFUGEE CITY CHURCH

About the Family

Following God's prompting in 2014, I left the field of education and went into full-time ministry. My joy is to see people grow in their faith in Jesus and help them develop a heart of service for His glory. My wife and I couldn't be more excited to continue this journey on which the Lord has brought us.

Along with our three kids, we live in Lake Elsinore, Calif. In 2019, we planted our church in the city we love.

About My Church Plant

We planted out of our home church to reach the city in which we have lived in for the past 10 years. Our city is afflicted by lower-income rates and homelessness. We seek to reach the least, the last and the lost with the good news of Jesus and to bring hope to those who need it.

We desire to reach the city by being in the city. We want to be active participants in and around town. We desire to raise up a ministry that provides the hand up people need.

We desire Refuge City Church to become a place people can call home. Our mission is to share the good news of Jesus and to develop followers of Christ.

PRAY.

Pray for God's provision as we seek those who would like to financially partner with us in this church plant. Pray for those who would desire to serve along with us as part of our church planting team. Pray for the Lord's favor as we seek a location to best serve the community. Pray for boldness as we share the gospel and for open hearts among the people. Pray that through this ministry, more people would come to saving faith and live on mission. Pray for stamina and longevity for ministry amidst attacks from the enemy.

PARTICIPATE

Should the Lord place it on your heart to partner with us financially, we would love to get you connected. Should the Lord lead you to join our team and serve the city of Lake Elsinore, we welcome you with open arms. We always welcome your prayers and words of encouragement as we continue this journey.
