THE WELL BAPTIST CHURCH

Find out how you can

**Pray.**

**Participate.**

**Provide.**

### PRAY.

Pray for the people around our church. They are a walled community without walls. Pray that something we do among them will spark an interest in their hearts and they would come to hear the gospel.

Pray for my son as he battles lupus. Pray for more opportunities to share Christ with those in our area.

Pray for ministry partners to come alongside us in prayer and other ways so we can reach out in our community.

### PARTICIPATE

Commit to long-term missions support with us

Be involved in supporting us.

Pray for us

Send encouraging letters or emails to us. Planting a church is a whole lot different than regular church!

### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.

## About the Family

I have been blessed to have been married to my bride for going on 30 years. We have two adult children, Anna (29) and Billy (22). I graduated from Clear Creek Baptist Bible College in 2002. My children are both active in ministry. My daughter runs sound and drives the church van for another church, as well as working with our plant. Our son is my music minister. My son is married, and my daughter married in October 2017.

## About My Church Plant

Our church officially started here in Fort Wayne, Ind., July 9, 2016, with 20 in attendance. We have been blessed to meet in a building owned by the Pilgrim Holiness Church. We are partnering with them and to reach the community. Our focus is to reach those who have been previously hurt by the "church" and to help them return to God or maybe even meet Him for the first time, then train them to go out and reach the lost. We are making headway, but not as quickly as we would like. My wife and I have the blessing also of working with the director of missions in our association. My wife is the office manager, and I work with the missions teams who come to our area for missions work. Last year we had 1,200 missionaries come through our area, and we are looking to have around 1,600 this summer!
