

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for our family to weather changes with wisdom and purpose, staying "strong, brave, kind, and true" (part of our family motto).

Pray there would be receptive hearts among the people in the communities where we serve.

Pray our Discipleship Pathway will translate into more disciples-making-disciples, leading to more churches planted.

Pray the Father will send more workers into His harvest to join us and other missionaries.

PARTICIPATE

Pray for us, our church and missionaries everywhere (including you, where you are!).

Consider giving in support of the ministry here.

Connect as a Supporting Church with our missionary work.

Consider a vacation to Ottawa, the capital of Canada, and come worship with us.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

CELEBRATION! CHURCH OTTAWA

About the Family

My wife and I are Atlanta natives, who met during our undergrad at Berry College in Rome, Ga. Our call to move to Ottawa, Ontario, Canada, in 2006 was clear, and God provided for us to make a quick transition.

We have six children, ranging from 16 to 5 years old. When our family is looking for a way to connect and enjoy one another's company, you will almost always find us outside tending our garden, blazing a trail on foot or horseback, biking the neighborhood or passing a disc or soccer ball.

About My Church Plant

Celebration! Church Ottawa brings to life the kingdom principle that God can accomplish BIG things with small offerings. I have been the pastor here for 18 years, and have championed the vision to make disciples who make disciples. Celebration! Church had the privilege of "adopting" an aging church that needed help, settling into building ownership, working hard to balance residential ministry with maintaining a meaningful presence on university campuses, and equipping our members to be difference-makers in their own neighborhoods around the city.

We rejoice in having been part of encouraging/supporting many new churches across our city. Our most recent ministry initiative was to create a Discipleship Pathway to give all of our members and attenders a very clear and concrete path for how they can mature as Christ-followers.
