PARK BAPTIST CHURCH

About the Family

I have been working with college students for the past couple of years, and I am super excited to move into a formal position with Park Baptist Church's college ministry and Winthrop University. I was a student at Winthrop and in Park Baptist's college ministry, so both are very special to me!

I am passionate about overseas missions, whether it is being on the mission field, helping students get there, or helping them think through their role as members of the local church.

About My Ministry

I currently work with students who attend Park Baptist Church, some of whom are at Winthrop University, some other universities online, or some who work full time. I also reach out to prospective students at Winthrop who are unchurched believers or have not put their faith in the gospel. A lot of my ministry is about discipleship relationships with ladies in the college ministry or newer girls (some believers, some not).

PRAY.

Pray that the students at Winthrop University would know the Lord and faithfully walk with Him alongside a gospel-preaching local church. Pray for those already in our college ministry to grow in the Lord and fight against sin. Pray they will have a greater love for the church and the lost. Pray for me as I focus on helping with the two requests above, as I prepare Bible lessons, have gospel conversations, have hard conversations, and meet with students. Pray for my studies and that I continue to be equipped more and more for the ministry God has placed me in.
