

## Catherine Coleman

FIRST BAPTIST CHURCH OF OPELIKA

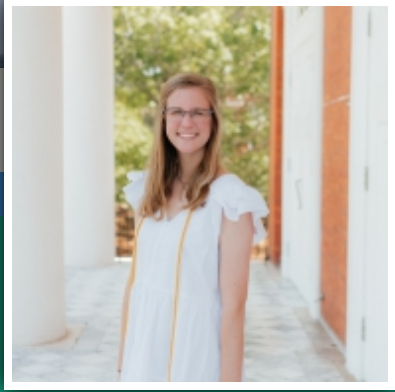

### About the Family

My name is Catherine Coleman, and I recently graduated from Auburn University. I have worked at Auburn University's campus recreation for the past four years and for Chick-fil-A for the past almost two years. I am the fourth of five kids and have a few nieces and nephews, who are precious.

### About My Ministry

I accepted Christ as my Lord and Savior at a young age and have continued to grow in my relationship with Him since then. There have been many ups and downs in my walk with the Lord, but I have always found Him to be faithful, patient, gracious, true, and so much more. In the past few years I have had the opportunity to go overseas and proclaim His name to those who may or may not have heard it before. I learned more about His character and love for all peoples during these times and want to continue to share His name wherever He leads.

This next year I will be serving as a campus missionary with First Baptist Opelika's college ministry. We will be working with students from the same university I just graduated from. I am excited to see the Lord move and continue to grow closer to and more dependent upon Him.
