MISSION BIBLE CHURCH

About the Family

I was not raised in a Christian home. Jesus saved me when I was 16 years old at a Sunday morning church service not far from where I grew up in North Carolina. My wife, Ashlie, and I (both North Carolina natives) celebrated our 25th anniversary in 2023. We have five children ranging from ages 7–19.

After serving in local church ministry as an associate and senior pastor at established churches, the burden to plant began to outweigh our security and understanding. We both knew, after months of prayer and godly counsel, it was the Lord's will to plant Mission Bible Church.

About My Church Plant

We planted Mission Bible Church in the University City area of Charlotte because too many people here still need to hear and respond to the glorious gospel of the Lord Jesus Christ. We want to do everything we can to make it hard to get to hell from this region of North Carolina.

We long to be a church family on mission together to see Christ as the hub of every home around us.

As a church, we want to know, love and obey JESUS together and make disciple-making disciples for GOD'S GLORY!

PRAY.

OPEN DOORS: Pray for opportunities to engage people in the University City region and every place we work, live and play.

OPEN HEARTS: Pray we will be guided to those who are ready to respond to the gospel of Jesus Christ.

OPEN MOUTHS: Pray that every one of us will have the boldness to share the gospel.

Location: We are currently meeting in another church's facility at 4 p.m. on Sundays. Please pray for the right location/opportunity for us to secure another space to better fulfill our mission.

PARTICIPATE

GIVE: The LORD has enabled me to devote full-time attention to this task only by the financial support of our partners and beyond our growing core families. We are witnessing firsthand how, together, we can achieve more for God's glory than we could alone as a single church family.

SERVE: Churches can send missions teams to help us impact this region.
