GROVE COMMUNITY CHURCH

About the Family

Mandy and I have been married since 2017 and have one son, Tate. We met at North Greenville University in Tigerville, S.C. We have lived in Woodruff, S.C., and now in Selinsgrove, Pa.

Mandy is a work-at-home mother, and she faithfully serves the family and the ministry.

In 2018, I began serving as a youth pastor at Selma Baptist Church in Woodruff, S.C., and in 2019 began a church planting internship through the partnership of Winfield Baptist Church and Sunbury City Church in central Pennsylvania.

I earned a Bachelor of Arts degree in Christian Studies at North Greenville University.

About My Church Plant

Grove Community Church is a local, evangelical expression of the Body of Christ. We are Baptist in theological heritage, congregational in church governance and elder-led in pastoral oversight. Our members are committed to seeing the good news of Jesus proclaimed through their lives of worship, relationships and outreach to our city and world. Our vision is to joyfully display the glory of God by declaring the grace of God found in Jesus Christ throughout central Pennsylvania and to the ends of the earth. Our mission is to glorify God by multiplying disciples who "Enjoy God, Equip Others and Engage the Community."
