ANCHOR POINT CHURCH

## About the Family

I grew up in Colorado as the youngest of four boys. Over time, my brothers and parents have spread their wings and found themselves all in different parts of the state, country, and even the world. Two of my brothers are now in different towns, one in a different state, and both my parents respectively in different countries overseas! Despite the separation from my blood family, God has blessed me with a deeply loving family within my local church body. I couldn't be more blessed in this way. And so, I am happy to hold down the fort here in Colorado Springs!

## About My Ministry

As a young man, I am early in my calling and walking with the Lord. I believe He has compelled me in my recent walk to give Him the next portion of my life, specifically to witness what He can do with it.

The United States Air Force Academy is home to thousands of military cadets, some of whom call Jesus their Lord and many of whom don't. Like any other place, there is room for the gospel to be spread and disciples to be made. I have been endorsed to walk alongside the leaders of the Baptist Student Union (BSU) to learn about and assist in their ministry to these cadets.

My local church (Anchor Point Church) has also come alongside me in this time to offer an internship role. The time spent in this capacity will be used to be mentored under the pastors and other church leadership, and to explore my new role as the church grows.

Find out how you can  
**Pray.**  
**Participate.**  
**Provide.**

**PRAY.**

Pray for those whom I and others will be ministering to. Pray the hearts of those I encounter at the Academy, in my community, and everyone in between would be soft and open to the message of Jesus.  
 Pray that the Lord would triumph over the schemes of the enemy in this ministry.  
 Pray that I would listen to how the Lord directs my steps on the path of ministry in my life.  
 Lastly, please pray that the Lord will totally and radically have His way with my life, and that I would entirely trust Him with it.

**PARTICIPATE**

Get to know some Cadets if you get the chance!  
 Lift us up through prayer, community, and encouragement.  
 Stay updated with newsletters that go out to my partners  
 Partner with me financially and prayerfully.

**PROVIDE**

Learn the ministry strategy and context, so you can provide relevant resources.  
 Support a missionary financially.
