NORTHERN LIGHTS MISSIONS

About the Family

Hello! My wife, Shelly, and I live in Tok, Alaska. We live here based on the calling in our lives to serve God and in accordance with our life verse, Acts 20:24, "The ministry which I have received of the Lord." Shelly and I are participating in full-time ministry.

We have been married 33 years. God has directed our hearts and thoughts to the interior of Alaska, more specifically, the Native Alaskan villages that inhabit the land. God has opened doors, and we have graciously, humbly and prayerfully walked through them.

About My Church Plant

Our focus is the Native villages and communities of the Upper Tanana and Yukon River Valleys. While a vast number of people in the villages of the Interior have heard about a prayer that can get them to heaven, not all are blessed to be in an area where there is an active and ongoing church where they can be taught and disciplined and that will help them grow in their faith walk with Jesus Christ as their Savior.

We believe discipleship is urgent. We believe churches will grow and God will bless as long as we allow Him to lead. We pray to find a peace partner in each village as Jesus described in Luke 10. We can teach this person to disciple others and then go to the village and support him or her in the ministry. Please pray with us that God will place someone in each village as His pastor.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray for churches as they prepare to send out missionaries and chaplains to push back lostness in North America. Pray the people in the communities where missionaries and chaplains serve would have hearts that are receptive to the gospel. Pray churches and individuals will partner with missionaries and chaplains and give of their time and talents. Pray the Father will send more workers into His harvest to join missionaries.

PARTICIPATE

Connect as a Sending Church or a Supporting Church with our work. Commit to long-term missions support with us. Pray for us. Join us on a short term mission trip throughout the interior regions of Alaska.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
