## CHURCH IN THE DIRT

### About the Family

Hi, I'm Chasey Hudson! I am a junior at Arkansas Tech, majoring in Middle School English Education with a Minor in Creative Writing. I have a love for people, photography and, of course, Jesus! In my free time, I am often found in the Arkansas Tech library, on the pickleball court, or serving the Arkansas Tech Baptist Collegiate Ministry (BCM) in some form.

I come from a large family who loves and supports me immensely. My family has always been my biggest and boldest encouragers regarding my love for ministry! Without their endless love, prayers, support and guidance, I would not be half the woman I am today.

### About My Ministry

I am a missionary on the campus of Arkansas Tech University. My role is to develop disciples, to mature in their faith and to live it out to impact lost students on campus.

The college campus is the most strategic mission field! Why? Because college students are at a stage in life when the decisions they make will impact the rest of their lives. Reaching them now is vital that they become followers of Jesus and disciple-makers.

I lead a weekly Community Group, share the gospel on campus and bring others with me. I also disciple students, follow up with new students and mobilize students to live out the Great Commission. We know we will have succeeded when we see students growing in their spiritual maturity, building real community and multiplying their faith—on campus and wherever God sends them next.
