LIBERTY HEIGHTS CHURCH MASON CAMPUS

## About the Family

I'm a graduate of Cedarville University, which is where I met my wife, Shannon. I earned a bachelor's degree in 1996 and a Master of Ministry in 2021. Both Shannon and I have been on staff at Liberty Heights Church (LHC) for nearly two decades.

Our oldest daughter, Taylor, is a first grade teacher in the Lakota School District, and our youngest daughter is a student at Cedarville University.

## About My Church Plant

In 2019, we launched our first campus from LHC in Lebanon, Ohio. This is a revitalization effort that started with a core group from a previous congregation of 35 people. In 2021, after surviving COVID and growing to nearly 120 regular attenders, we handed off this congregation to church planter, David Hackney, (still a campus of LHC) and launched another campus from LHC in Mason, Ohio (also a revitalization effort).
