REDEMPITIVE CITY CHURCH

## About the Family

I am husband to Christina and father of Christopher, Caleb, Christabella, Caressa and Cara. Christina and I were raised in Dallas, met, married and had our children here.

We love this city and want to see it reached for Christ.

## About My Church Plant

Like other inner city neighborhoods across the country, West Dallas appears to be revitalizing on the surface, but deep down, it is still dealing with generational issues of crime, poverty, fear and uncertainty. I want to enter these places with the light of the gospel.

My family and I have felt called to plant a church called Redemptive City Church, an inner city church in the community of West Dallas.
