NEW SONG COMMUNITY CHURCH

About the Family

I grew up in Okinawa, Japan, where my dad worked for a company affiliated with the U.S. military. Laura grew up in West Africa, where her parents served as missionaries. Laura and I met at our home church in Arlington, Texas, while attending Southwestern Baptist Theological Seminary.

During the summer of 2016, we served on Vancouver Island as part of the GenSend program. That's when we both sensed God calling us to plant a church in metro Vancouver. We got married in June 2017 and moved to British Columbia in December 2018.

Laura and I love to explore the many regional parks nearby, welcome people into our home, play Scrabble and listen to audio books while working on puzzles. Our children fill our life with laughter and an abundance of love. Both love being outside in beautiful British Columbia.

About My Church Plant

New Song Community Church is being planted in Langley, a rapidly developing suburb in Metro Vancouver. We have the joy of ministering in a city that is both ethically and religiously diverse. Our dream is to become a multiplying multiethnic church that reaches Langley and beyond. We are seeing God's redeeming hand at work, as people from all tribes tongues and nations respond to Jesus in faith, obedience and love.

Come to New Song on any given Sunday, and you will see that we minister to and with young multiethnic families and university students. It's a beautiful mission field, and God is at work. Want to join us?

PRAY.

Pray God will give us the capacity and wisdom to love and serve the families and students God is bringing into our midst.

Pray God would knit the hearts of our members together in love, especially as we move into a new season of ministry.

Pray God would give us boldness to proclaim Christ and people in our community would come to faith in Jesus.

Pray for REVIVAL and SPIRITUAL AWAKENING across the Lower Mainland and for the darkness to be pushed back by the power of the gospel.

PARTICIPATE

Pray— Regular intercession is crucial for the work here to move forward.

Give financially— Vancouver is one of the least affordable cities in the world.

Go— Come co-labor alongside us, either short-term or long-term.

Spread the word— If you know of anyone interested in partnering with what God is doing in metro Vancouver, please connect us.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
