COVENANT CHURCH

About the Family

My firefighter husband and I have been happily married for 28 years. We are the proud parents of two daughters who wholeheartedly follow Jesus and are equally blessed with godly sons-in-law. Our family includes two delightful grandchildren and a precious grandson who met Jesus on his birthday—forever a treasured part of our story.

Our children and sons-in-law are actively involved in ministry through their church and in coaching college sports. I find great joy in supporting their ministries as they support mine. I enjoy baking, gardening, traveling and embracing life's adventures with those I love most.

About My Ministry

I am the founder of Chaplains and Heroes, a national ministry that equips churches and chaplains to support law enforcement through spiritual care, training and community partnership. I am a volunteer police chaplain endorsed by the SBC. I serve as an assistant director of the Franklin County Sheriff Chaplain Unit in Columbus, Ohio, and with the Groveport Police Department. I hold multiple certifications in CISM, grief, suicide and trauma, using my training to 980+ deputies and their families.

I also serve as a chaplain with the Billy Graham Rapid Response Team and in chaplaincy and administration with Samaritan's Purse International Disaster Response.

PRAY.

Please pray for boldness to share the gospel when the Holy Spirit prompts and for God to open the hearts of the officers and families I serve. Pray that this ministry would lead many to saving faith in Christ Jesus. Also, pray for stamina, strength, and longevity as I continue to serve in this unique and demanding mission field.

PARTICIPATE

Be part of Chaplains and Heroes by praying for law enforcement and their families, encouraging your church to engage in law enforcement ministry, or sending notes and resources. Start conversations about their unique challenges. Whether through prayer, support, or a call to chaplaincy, your partnership helps bring hope and the love of Christ to those who serve and protect.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
