## FOUND CHURCH

### About the Family

Joy and I began our journey in ministry at Guide Church—Joy in 2012 and I in 2013. Over the years, we have served in various ministries, working our way up from children's ministry to the youth group and, for Joy, the worship band. These experiences have deepened our passion for serving and shaped our hearts for ministry.

Throughout this journey, we have been continually challenged to take our next step in following Christ, remembering our pastor's words: We are never more like Jesus than when we're serving others.

### About My Church Plant

For the past four years, we have served full time in youth ministry, dedicating our lives to helping teens grow in their faith. We've also had the privilege of volunteering at youth camps, investing in the next generation and witnessing God move in powerful ways.
