EXPLORE CHURCH

About the Family

In 2002, Courtney and I said “yes” to each other in marriage and together said “yes” to a lifetime of ministry and service. It’s been quite the adventure since!

We spent our first three-plus years planting a church with the Ocoee River community in eastern Tennessee. In 2005, we headed north to Boston, Mass., planting churches and ministering. In 2012, we headed west to Montana where we launched and invested in a wide variety of ministries.

Despite our desire to serve overseas, the Lord continues to lead us to various communities in North America.

About My Church Plant

Starting in January 2023, we will be stepping into a Great Commission pastor role launching a citywide missions awareness, education and mobilization ministry, along with a variety of other discipleship and new ministry initiatives.

We are thankful for the thousands of lives the Lord has allowed us to be part of—from the Ocoee to Boston to Montana—and are confident He has great things in store for us in the days to come! We would be honored for you to partner with us. Thank you for your prayers and support!

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
