PRAY.

Here are some ways you can be praying for our family and church: Pray for our family and team as they work together in ministry. Pray for the faithful preaching of God's Word in the life of our church. Pray for boldness in evangelism. Pray for fruit in conversion. Pray that God would provide for the needs of the church. Pray for laborers, as the harvest is plentiful and the laborers are few. Pray that God would enable us to be gracious in gospel contextualization as we live on mission here.

PARTICIPATE

We'd love to build relationships with you from afar and nearby. You can build relationships with our family, team members and their families. Send notes of encouragement. RADIANT CITY CHURCH

About the Family

I have been married to my amazing wife, Crystal, for nine years. We have known one another since we were 11 years old, growing up in South Florida together and attending the same middle and high schools.

Crystal lives as an everyday missionary in the workplace as an educator and teacher. She serves as a musician and kids ministry supporter within the life of our church. We have two joy-filled and very busy children. Naomi is 7 years old, and Judah is 5 years old.

About My Church Plant

South Florida is an area that is extremely beautiful, but broken and with great gospel need. These realities led us to return to South Florida with a heart to see a multiethnic, multiplying and gospel-centered movement.

As the lead pastor of Radiant City, I provide primary leadership to the vision and direction of our church. I love preaching God's Word and am passionate about disciple making and church planting, equipping and mobilizing all believers to reach the lost and teach the found.

Our church's vision is to be a diverse family on mission, committed to pushing back darkness with the light of Jesus in South Florida and beyond. We exist to multiply disciples and churches.
