GOSPEL COMMUNITY CHURCH

About the Family

We are the founding directors of Christian Challenge at the University of California (UC) Santa Cruz. Christian Challenge is an on-campus ministry that is committed to reaching lost students with the message of the gospel, developing relationships with students to help them grow in their walk with God, and equipping them to be able to go out into the world to reach others for Christ.

If you have any questions or would like to hear more about our ministry, email Cody at codybryan91@gmail.com.

About My Ministry

We got involved in Christian Challenge at California State University Chico while we were students and joined the staff team upon graduating in 2013. During our eight years as full-time college ministers in Chico, we became associate directors of the ministry and eventually started feeling God leading us toward planting a new ministry at a university in need of more laborers on campus.

After seeking counsel and praying through several options, we have been sent out by Christian Challenge at Chico State to plant a new ministry at UC Santa Cruz, a campus of around 20,000 students with fewer than 2% of them being involved in any kind of ministry.

PRAY.

Pray salvation for the thousands of lost students at UC Santa Cruz who are living far from God.

Pray for God's blessing and direction as we reach out to those lost students and share the love of Christ with them.

Pray God will raise the students who are involved in Christian Challenge to be faithful laborers.

Pray for the unity of our staff, that our love for one another will be a witness of Christ's love.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
