GRACE COMMUNITY CHAPEL

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray with and for us! Pray that Jamie and I will have joyful dependence on Christ. Pray for our family as we transition into this new role and community. Pray for the faithfulness and unity of the members of Grace Community Chapel. Pray the Spirit will work in bringing the lost to Christ in Seekonk. Pray for individuals and churches to give generously to sustain our ministry here in Seekonk.

PARTICIPATE

With the church's current financial situation, they are only able to pay half of my salary, so I will still need to cover the other half through financial support in order to sustain at Grace Community. We are asking you to continue to partner with us through continued prayer and financial support as we move a little bit down the road and minister at this new church in Seekonk, Mass.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

About the Family

Jamie and I both grew up in the same small Missouri town. In May of 2016, we graduated from the University of Central Missouri, got married and moved to Kansas City so I could begin studying at Midwestern Baptist Theological Seminary (MBTS). In spring of 2019, I completed my Master of Divinity degree at MBTS.

We have two children: Lyla and Millie. I enjoy sports (especially New England sports), reading, watching movies and going on walks and adventures with my family.

About My Ministry

In considering through conversations and prayer, the Lord had for us post-graduation, our ties to the New England region seemed to pull us toward the Northeast. We were presented with the opportunity to go to a small town, in Bristol, R.I., to partner with what was then a new NAMB church plant, Mount Hope Church (MHC). In May of 2019, we moved to partner in ministry with MHC. And then in the summer of 2024, the Lord led us to discern a call for me to become the new lead pastor at Grace Community Chapel in Seekonk, Mass.

Over the past five years, Grace Community has dwindled in numbers due to their former pastor retiring, COVID-19 and then the realities of not having a lead pastor for four years. We see this as an opportunity not to only give this church stability, but also to revitalize and see the church grow again by the Lord's grace.
