REDEEMING GRACE BAPTIST CHURCH

About the Family

Kylie and I have been married for five years. I am the father of two amazing girls, Rosalina (almost 2) and Luciana (almost 1 month). Kylie and I met in college and desire to serve the Lord with our lives wherever that may take us.

About My Ministry

I am an evangelism catalyst with the North American Mission Board. My ministry is all about mobilizing EVERY believer for the work of the ministry. If we want to see the American church persevere and even grow into the next generation, we can no longer rely on our old ways of growth. We can't rely on radio stations, televangelists, Easter sermons and specialized ministries to see the revival we all pray to see. Only by igniting the passion for evangelism in all believers will we be able to see genuine growth again.

With my background in ministry in Sweden—the most secular western country—and serving for years in college ministry training our next generation, I feel uniquely equipped to assist and partner with churches in the training of lay people for ministry where they live, work, study and play.
