CROSSPOINT CHURCH

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for Crosspoint as we continue to reach into our community to reach people with the gospel.

Pray for us as we seek to continue to build relationships with the international students at one of our local colleges.

Pray for us as we work on beginning the process of adopting the local college girls' basketball team. Pray for Dan and Brandon to be able to meet with the team coach in the next few weeks to discuss the details.

Pray for the coffee ministry we are part of at three local schools.

On Wednesday nights we are praying for a list of friends and family of our Crosspoint members who are not followers of Jesus. Pray for God to move in the lives of those who are on this list.

Pray for our Wednesday night missions discipleship activities. Pray that our children in Mission Friends and Children in Action, our students in Youth on Mission and our adults would continue to develop a passion for reaching the nations with the gospel. Pray for hearts to be strengthened and transformed during our Sunday morning worship services.

Pray for funding for several large building renovation projects.

Pray for discipleship to take place in the lives of those we have baptized and will baptize.

Pray for our church as we look for where God wants Crosspoint to be on mission.

PARTICIPATE

We are always looking for missions teams to partner with us to help us reach our community with the gospel. Teams can come on mission and help us with the various ministries that are going on in our community. We also need teams who can help with the many projects in and around the building we are working on. We are always looking for partners to support the needs of the church plant.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

About the Family

My wife, Chris, and I have been married since 2000, and we have four kids. Our daughter is the oldest, and then we have three boys. Chris and I have been in ministry together since our years in college, and we make a great team.

Chris homeschools the kids, leads in women's ministry both at the church plant and in the state, and leads our praise team at church. Our daughter is currently serving at the church plant as one of our sound techs and with the children's classes. The boys enjoy serving as greeters, ushers and even help Chris choose songs for Sunday morning worship. As a family we love board games, family movie nights and spending time with friends.

We are originally from Maryland and, unlike most of our neighbors here in Indiana, we are loyal Baltimore Orioles and Baltimore Ravens fans! Life is never boring, and we are thankful that God has given us the ability to serve Him together.

About My Church Plant

Crosspoint Church is a church replant in the heart of Richmond, Ind. In 2014, there was a church in Richmond that had to make the hard decision to close its doors and cease to exist. They had experienced some very difficult years and, after much prayer and discussion with the state convention, decided it would be best to end its ministry.

At the same time, God was leading my family and another couple from our home church to consider church planting. In September of 2015, our family and four others moved from southern Indiana to Richmond to begin the process of starting a new church in the building of the previous church. Among the four who moved to Richmond with us were Brandon and Stephanie Doyle. Brandon is serving as co-pastor with Dan as we launch this church plant. They have been invaluable partners with us in this adventure.

After months of prayer, outreach and building renovation projects, we launched as Crosspoint Church May 1, 2016 and just celebrated our one year anniversary in May 2017. Our vision as a church plant is to "touch every corner of the world with the gospel," and we have been overwhelmed as God has provided us with numerous opportunities to see this begin.

One major ministry at Crosspoint is our college outreach. Brandon has been selected by our state convention to begin college ministries at the three college campuses in our city. He and Stephanie have a weekly college Bible study that is growing each month. We have been able to host international students from four different countries at the church as well. Along with our college ministry, we have an ongoing coffee ministry in three local schools. Each month we take breakfast and coffee to the schools and have been allowed to stay and talk and even pray with the teachers who come to see us. Several of the teachers have visited Crosspoint for worship, too.

We have seen our membership grow and our recent membership totals 58! We have already had nine baptisms since May 2016. We recently started weekly Bible study and missions discipleship on Wednesday nights for all ages. There is still a lot of work to do on the actual building but the excitement of the people is contagious, and we are seeing renewed passion. Marriages are being strengthened, families are growing in their faith and students are being introduced to Jesus for the first time. God is doing amazing things in our church plant.
