PRAY.

Please pray that my family will lean into the power of the Holy Spirit in order to accomplish the work that the Father has set us to do. Please pray for a harvest of workers to join our church in the mission of sharing the gospel to the people of Midvale. Please pray for boldness to share the gospel and to proclaim the truth of the saving work of Jesus Christ to those who come into our services. Please pray for the building of relationships with new members as well as those in the community that the Lord has sent us to serve.

PARTICIPATE

Pray, pray, pray for what God is doing in Midvale. Consider joining us in the mission of planting a church! Please consider supporting my family financially as we do the work that God has called us to do.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.
Support a church planter financially.

RISEN LIFE CHURCH MIDVALE

About the Family

I grew up in Salt Lake City, Utah. From a young age, I always had faith in God and was saved at 9. I attended Risen Life Church in Holladay, Utah, and grew up there, also attending Intermountain Christian High School. My wife, Samantha, and I met in the youth group at Risen Life, and we married in 2017. The Lord blessed us with a son in 2024, and we are due to have another boy in the spring of 2026.

I am currently pursuing a degree in Theological Essentials from Gateway Seminary via the Salt Lake School of Theology.

About My Church Plant

I am the Minister of Worship for Risen Life Church in Midvale. This is the most recent church planted by our sister church, Risen Life Church in Holladay. I pursued this role after feeling the Lord's calling on my life to begin ministry and partner with Jon Perkins, our lead church planter.

I have played and taught music from a young age and have been part of worship teams and church planting for well over a decade. My ministry now is to lead our congregation in biblically truthful worship of the Lord. I am also working to build a team of worshippers to help in this endeavor.
