About the Family

My wife and I homeschool our four children. We have lived in the Santa Clarita Valley for more than 20 years. We own a local small business that helps us engage people in our community.

About My Church Plant

Our family is committed to the spreading of the gospel message. We are focused on planting a church that brings people of all socio-economic levels within the Santa Clarita Valley together. We desire to impact our community with the message of the kingdom of God through community partnerships and the empowering of God's people toward serving the needs of our community.
