PRAY.

Pray for vision, that we would continue to see where God is at work and have the resources to join Him there.
Pray for a sustaining spirit in this place where ministry is hard. Pray that the church and our many volunteers would be lifted up.
Pray Cathy and I will achieve a good life and ministry balance.
Pray for the lost, that they might be touched by this ministry and their hearts would be turned toward Jesus.
Pray that the person God is calling to be an associate pastor with us would be revealed.

PARTICIPATE

Come over and help with meal preparation and serving.
Come on mission to assist with our construction needs as we continue to develop and grow.
Pray for us, our ministry partners, the church and the volunteers.
Contact us about supporting a specific ministry or outreach.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

ENOUGH MINISTRIES

About the Family

I served in the Army for 32 years, including multiple combat tours between Afghanistan and Iraq. I was called to serve God with the same passion, rigor and sacrifice I had for serving the nation for so many years.

Cathy, my wife of more than 30 years, is a professional chef, homemaker, office manager and passionate encourager. She cooks some incredible meals at the soup kitchen, provides loving childcare for our granddaughter and is active in the ministry of the church.

About My Church Plant

ENOUGH Ministries operates in the center of the most spiritually dark state in America—Vermont. We have been called to serve the most needy among this population, which are the homeless, addicted and hungry.

Because of the lack of evangelical Christians in this area, most of the people we serve have never had anyone personally share the gospel with them. We operate a soup kitchen three times a week, a fruit and vegetable closet, and offer free rides for the addicted to have medically assisted treatments for their disease.

We also run the only shelter for homeless families with children. Your support is both needed and appreciated for this ministry. We pledge to our ministry partners that we will work diligently in the harvest fields and be good stewards of what God has provided.
