MEMPHIS AFGHAN CHURCH

About the Family

I accepted Jesus at the age of 10. At the age of 19, I was working at Glorieta Baptist Conference Center and, through a friend's example, God began to show me what true intimacy with Christ is, and I began my journey of truly abiding in Him. Soon after, I surrendered to missions. Since then I have received my M.A. in missiology at SWBTS, and I have served in many short- and long-term assignments all over the world.

While ministering in Hawaii, God began to call me to back to Memphis. I love everything Memphis—U of M Tigers, the Grizzlies and fun restaurants. I am proud to be a Memphian and believe God desires to see transformation in the lives of all those who call Memphis home. I love living in the same city as my family again, and I love being the proud owner of a Schi-zu named Silas. I am also an unashamed, loyal Denver Bronco fan.

About My Ministry

I am the ministry center director for the Refugee Memphis Ministry center. I serve in partnership with other like-minded believers, who make up our Refugee Memphis team, as we serve alongside the Memphis Send Relief Center staff. Daily, we carry out God's Great Commission in making disciples as we befriend, serve and share Jesus with refugees from many different countries. We have a biblical vision of God's mission and are committed to church-based ministry of being and making disciples cross culturally.

Refugee Memphis is a gospel-centered compassionate ministry, where we assist refugees with immigration needs, English acquisition and resettlement needs, while building community as we show and share the love of Christ. Our team also assists the pastors of the Afghans and Ukrainian churches.

PRAY.

Please pray refugees will ask the question, "What if I'm wrong about Jesus?" Pray they will be open to the truth of the gospel and will give their lives to Christ and become harvesters. Pray for our immigrant friends who have just been baptized and are growing in their faith. Pray more volunteers and churches will partner with us by serving in the ministries we offer. Pray for our new ministry center space in the Memphis Send Relief Ministry Center. Renovations are almost completed. Pray as we set up our ministry center to meet the felt needs of our refugee friends. Pray for wisdom as we establish our ministry center.

PARTICIPATE

Connect as a Sending Church or a Supporting Church with our work. Commit to long-term missions support with us. Be involved in supporting missionaries and their families. Pray for missionaries.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
