About the Family

I was born and raised in the Joplin, Mo., area, and my wife is from New Iberia, La. We have three children—Bailey, Elijah and Virginia.

I was called to pastor in 2003. I pastored two churches that were both revitalized. God put on my heart the desire to plant a church in the Kansas City area in 2023.

About My Church Plant

There are 2,400,000 people in Kansas City metro and only a little more than 400,000 of them claim to be a Christian. The harvest is truly plentiful! I believe God wants me to plant a church in the southern part of the metro. Right now, we are in the stage of making disciples and having a Bible study in our home. Our goal is to launch our first public worship service March 1st.
