FAITH COMMUNITY BIBLE CHURCH

About the Family

My wife, Samone, and I have been married for two years. Previously we had dated for three years. We met while singing on the praise team at our previous church. We have grown together working in ministry, singing on praise and worship teams, and volunteering our time at the church however possible.

Samone and I both have a passion to see lives changed through real relationship with God through Jesus Christ.

About My Church Plant

I have been working in ministry in some form since age 15 when I preached my first sermon at a youth empowerment service with Christians In Action (C.I.A.). While serving with this group, my passion for seeing lives impacted by the Word of God flourished. I enjoyed not only preaching God's Word, but hearing how the application of the Word had transformed the life of the hearer. I knew then what God had called me to do. From C.I.A. my ministry journey has taken me many places and paths all the while the call becoming more clear.

Understanding that the hearing and doing of God's Word can lift burdens and transform lives has led me to the north side of St. Louis, Mo. Being born and raised in St. Louis, I understand the struggles people in this area go through. I know it, I see it, and I know God can change it.
