## WATER'S EDGE FELLOWSHIP

### About the Family

My wife, Toni, and I have been married 30 years and have three adult children. Our son is a teacher and coach in an area school. He and a friend serve as our student ministry leaders. Our oldest daughter is completing a degree in special education. Our youngest daughter is just beginning her college journey and has joined her sister in serving as a leader in their campus ministry.

### About My Church Plant

I have served in full-time ministry since 2002 as an associate pastor over student ministries. In 2019, I resigned my position to plant a church in the same community, as it is a rapidly growing and transitioning community that is under-churched.

We are focused on community-based ministries and taking the church outside the building and into the neighborhoods. Most of our church family members are first-generation believers so discipleship has been key to ministry and leadership development.
