FIRST BAPTIST ANCHORAGE

About the Family

My wife, Kristi, and I answered the call to serve in Anchorage, Alaska, in 2012 with our children. We now have four beautiful grandchildren and love sharing the last frontier with them hiking and berry picking.

I am a bivocational evangelism catalyst and work at Conoco Phillips North Slope projects as well.

About My Ministry

We host missions teams who come up to help sister churches with Vacation Bible School, construction projects and outreach ministries.

We also have a mission house in Wasilla and host missions teams to help sister churches and church plants in the Mat-Su Valley and Anchorage.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
