NEW MISSION CHURCH

About the Family

I am married to Ann, and together we have two children and four grandchildren.

I became a Christian in Korea through the witness of an American missionary. I came to the United States and studied at Gateway Seminary.

About My Church Plant

I planted my first church in the San Francisco area and pastored there. I have also been a professor at Golden Gate, now Gateway Baptist Seminary.

I am planting a Korean-speaking church in the Upland area. The need to bring the gospel to Korean-speakers is great.

My passion is to raise up Korean leaders and pastors to reach the next generation for Christ.
