TWO BRIDGES CHURCH

About the Family

My wife and I recently celebrated nine years of marriage. We have two children: Arya (4) and Jameson (2). We have lived in Seattle for the better part of 10 years. We love Jesus, and we love each other. We love our neighborhood of Fremont and have been living here as missionaries for the past two years. We are committed to following Jesus, loving each other and loving this neighborhood.

About My Church Plant

We believe that EVERYONE was made by God, made to know God and made to be known by God. God also made us to have relationships with each other. On the cross, Jesus built two bridges to connect us to God and each other. This is where we get the name and mission of Two Bridges Church. We seek to show people that through the person and work of Jesus Christ, they can find the community with God and others that they were made for. Two Bridges is a new church plant in the Fremont neighborhood of Seattle, Wash.
