POTENTIAL CHURCH

About the Family

Kelsey and I met in a coffee shop in Surprise, Ariz., in 2022, and after a year of dating and eating lots of sushi, we were married in 2023. In 2024, my daughter, Harper Rose, moved to the Pensacola, Fla., area. Here Westin was born, as well as a unique love and burden for the Pensacola area.

That's where, as only God can, He brought Potential Church in Cooper City, Fla., and us together. With Potential Church in South Florida as our Sending Church, we are launching a new church, Potential Church in Pensacola, Fla.

About My Church Plant

Have you ever felt like there's got to be more to life? Have you looked at your faith and church experience and felt there's got to be more to it than just this—more than just showing up and doing the same religious routine? If you're like me, you have felt that there's so much more potential in you, your job and your faith journey.

We are launching Potential Church Pensacola to partner with people can reach their God potential. We want to help them realize that God created them for more and there's more to faith than just showing up on a Sunday.
