NEW HOPE BAPTIST CHURCH

About the Family

I was born in Pimentel, Dominican Republic. My parents, Osiris Medina and Amparo Brens, taught me Christian moral and spiritual principles. I have two brothers, Aneudy and José.

While growing up, my parents taught me about our Savior Jesus. I knew of His love and of His death on the cross to forgive us of our sins. I gave my life to the Lord when I was just a child of about 10 years old. Around 1970 at the age of 17, I left my hometown. That's how I got to Santiago.

God gave me three special gifts. First of all, a wonderful wife, Ana R. Medina. With her I have two beautiful daughters, Rose Melody and Rose Armony. Both are married to Christians, and both have four children. Blessed God!

About My Church Plant

I worked as an associate pastor for some time. Then I was the pastor of a small church in a field. After a while, we decided to move to the United States where I was pastor of the Hispanic ministry of the First Baptist Church, which we registered under the name Primicias de Cristo. Now I serve as pastor of the Spanish ministry of New Hope Baptist Church in the city of Zephyrhills, Fla.
