PRAY.

Pray for boldness to share the gospel and open hearts among the people to whom we speak
Pray that through this ministry, more people would come to saving faith and live on mission.
Pray for stamina and longevity for ministry amidst attacks from the enemy.
Pray God will send leaders and helpers to serve in our growing teen and children's ministries.
Pray we would remain faithful to our vision.

PARTICIPATE

One of the biggest things a church plant can have is a dedicated group of individuals who have committed to go and advance the gospel together.
Please prayerfully consider joining our church planting team. And if not, please commit to pray once a day for one year.
Encourage us by calling or sending notes or email.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources.
Support a missionary financially.

About the Family

My wife and I are both from New Jersey and have been married for just about nine years. Our five awesome kids are Alysa, Layla, LilyAnna, Brody and Ameilya.

We have been serving in ministry since 2012.

About My Church Plant

Our church is a Replant. We came to a church at the moment the coronavirus pandemic started in 2020 and only two people were left. We have now seen God revive His church. Our whole mission is to glorify God in the fulfillment of the Great Commission and in the spirit of the Great Commandment. In short, helping people find and follow Jesus.

Since replanting, eight members of the previous church have joined us in this process that God has truly blessed. We now have an average of 45–55 people faithfully attend on Sunday mornings. We are seeing souls saved and lives changed.

Currently, we have 10 in a discipleship program. We have older members joining the vision of "purpose over preference" and striving to see God glorified.
