CALVARY BAPTIST CHURCH

About the Family

Kathy and I are native North Carolinians. We have three grown sons and their wives with 10 grandchildren. I was a manufacturers representative, and Kathy was an elementary school teacher previously. We also worked in our church in various responsibilities. We have been on missions trips locally and overseas and also working with local communities with children and families who are lost and without Jesus Christ.

About My Ministry

We work with local churches in North Carolina reaching marginalized children, youth and families with the gospel of Jesus Christ. Making contacts through multi-family housing areas and inner-city churches, we build relationships with these families and children by providing for spiritual, mental, physical and social needs.

As evangelism catalysts, we network with churches, schools, organizations, individuals and businesses to help them engage their communities for Christ. By coming alongside a local church, we help them begin new types of ministries to reach unchurched youth in their area. We meet with pastors, principals and business leaders to encourage them and to help them connect and partner with each other.

Pray.

Provide.

PRAY.

Pray for multi-family housing communities. Please pray these at-risk youth and families would realize their need for the gospel of Jesus Christ (John 3:16).

Pray for us: Please pray that God would grant us strength, safety and creativity as we seek to live and share the good news of Jesus in the inner city (Matthew 28:18-20).

Pray for church and ministry partners. The laborers are few in these communities. Please pray that God would lead us to partners who have a heart for God—to see lives changed for eternity (Matthew 9:37-38).

PARTICIPATE

Volunteer: We rely on volunteers to prepare meals, read to children, mentor youth, teach Bible stories, play games and sports and serve families

Missions Trips: Bring your youth group to join us. Groups help us with sports camps, kids clubs and with meeting physical needs.

Partner: Start a partnership with your church or group and work together for God's glory in a local community.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
