PRAY.

Pray God will continually teach us to pray more and to rely on Him more. Pray we would be bold in sharing the gospel with the international students we encounter.

Pray the Lord will add more Christian students from the U.S. and around the world to our ministry.

Pray the Holy Spirit will move in the lives of the students with whom we engage and share the gospel.

Pray for wisdom in the balance of family and ministry life.

Pray God will provide for the financial support of our family and ministry.

Pray we would have opportunities to share, teach and encourage churches around Indiana and around the country about this strategic global opportunity.

PARTICIPATE

Pray for us and those who volunteer alongside us.

We are open to mission teams coming. We would prefer that you send a vision team first.

Support us as a prayer and financial partner.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

About the Family

I was born and raised in Augusta, Ga. Julie was born and raised in Sebring, Fla. We were both born into active, church-serving families. The Lord saved both of us as children, but we have had to grow in that salvation for sure.

We met at Bryan College in Dayton, Tenn., in my freshmen year. We were married in 1993 and remained in Dayton. We moved to Charlotte, N.C., in 1998 for a job. While in college, the Lord put a call on our hearts for missions, but we understood little about God's timing. We accepted this call in 2009. It has been a wonderful and terrifying journey.

The Lord has blessed us with four incredible children: Rebekah, Katie, Emily and Nathan. We are excited to see where the Lord will lead them in their lives!

About My Ministry

International Campus Ministry (ICM) was a pioneer ministry. We began ICM in November 2011. We worked alongside the Baptist Collegiate Ministry (BCM), which has been ministering at Purdue University since 1962. In January of 2020, the BCM and ICM merged and re-branded as Launch Campus Ministry. We are still overseeing the international student emphasis of Launch. We seek to introduce as many international students to Jesus as possible, along with training and mobilizing Christian international and domestic students to catch this vision and to introduce the local church to this God-sized opportunity.

Through this journey, we have even been given opportunities to train other churches and members around Indiana to engage international students. I am also currently serving on the BCNet and have served on the executive board of SCBI.
