About the Family

I grew up in Lincoln, Neb. Around middle-school aged, I was invited to a summer camp, which led me to believe in Jesus Christ. Then I was invited to a youth group, which was the foundation of my faith.

About My Ministry

I work with Sower Church as the official youth coordinator.

The three core values of our youth group will shape community, gospel and generosity.

- Building and showing the importance of seeking a God-centered COMMUNITY that will shape the teens as they age.
- Using what they learn to share the GOSPEL by living it out by serving those.
- Having and understanding that we should use GENEROSITY and love those whatever the circumstance.
