About the Family

My wife, Tania, and I met when we were very young and have been married for 24 years. We have four children, two adults and two young children. We also have a grandchild from our firstborn.

Tania suffers with multiple sclerosis, and she loves serving the Lord in any way she can, regardless of her disability.

About My Church Plant

We are planting a gospel-centered church in the city of Miami Gardens, Fla. We aim to be a church who plants churches and have the vision of becoming a bilingual, multicultural church and loving people. We are currently partnering with a local public school where we are engaging with the community rapidly and are content with the way we serve them.
