**MISSION TRAILS CHURCH**

## About the Family

I spent the better part of my adult life serving in the U.S. military. I deployed twice as a Marine, then deployed again as a private contractor, and finally ended my career in the U.S. Army.

In total, I served for roughly 15 years before being medically retired due to an injury sustained during a previous deployment. I didn't know it at the time, but it was God's plan for me to leave the military and to serve Him in ministry.

## About My Ministry

I volunteer as the Global Outreach Director for a local church. I lead trips to Mexico to build homes, organize and lead trips overseas to share the gospel, and partner with local outreaches to serve our neighbors in my home city.

When I'm home, I meet with men for discipleship training, mentorship and counseling. Additionally, I serve with a sending organization to develop and train teams before they go overseas. I am currently pursuing a master's degree in Christian Counseling to better serve my community and to help develop the next generation of disciples (Acts 1:8).

Due to the sensitive nature of my work overseas, all organization names and overseas locations have been omitted.

Find out how you can

**Pray.**

**Participate.**

**Provide.**

### PRAY.

Pray for safety and boldness as we work in non-permissive environments. Pray for the nations as we bring the gospel to the unreached. Pray for refugees and oppressed people around the world. Pray for spiritual protection over me and my teams. Pray for discernment and wisdom as I lead, train and counsel. Lastly, pray that I follow Jesus' example with a humble servant's heart and remember that He is including me in His work, not the other way around (Mark 10:45).

### PARTICIPATE

Support the work financially. Keep a heart for the nations and the unreached. Join a team or support a team from your local church. Serve others.

### PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources. Support a church planter financially.
