PERFECTING FAITH CHURCH

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray we will have a divine impact in the community in which we plant. Pray souls will see the face of God in an unprecedented way. Pray we can lead the children of God into a closer relationship with Him. Pray we can reach, reconcile and restore human lives.

PARTICIPATE

Connect as a Sending Church or a Supporting Church with our work. Commit to long-term missions support with us. Be involved in supporting missionaries and their families. Pray for missionaries.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

About the Family

I have been married to my beautiful wife, Tara, since 2002. We are die-hard sports fans (Boomer Sooner, OKC Thunder, Dallas Cowboys). We love to shop and exercise. Well, I love to exercise, Tara loves to shop. We both love to travel and spend time with family. I had a 10-year battle with cancer, but by the grace of God, I'M STILL HERE and cancer free!

I work at Emory University in operations management. Tara has a degree in child care from Western Oklahoma State University. She has worked in childcare for almost 20 years. We hope to one day have children of our own.

Our mantra: People don't care how much you know until they know how much you care. We believe the Lord will perfect everything that concerns His children (Psalm 138:8). We love the Lord our God with all our heart. May God bless you, and may heaven smile upon you!

About My Church Plant

I was called into the ministry in 2002. I have an associate's degree in biblical studies/Christian ministries and a bachelor's degree in church leadership/church planting. I am seeking to enroll at Emory University to complete my master's and doctorate in theology.

In 2013 we planted Perfecting Faith Church in Altus, Okla. After three years of ministry there, God called us to plant a church in Georgia. I love preaching the Word of God and reminding others that God is still alive in today's world.

Mission: Build an army, not an audience.

Vision: A family rich in relationships matters most.

Core Values: Biblical application, faith, excellence, intentionality, compassion, relationships, generosity, simplicity.

We love the fact that God has called us to make disciples and help others become proficient in their walk with Him.
