SOWER CHURCH

About the Family

Hi, my name is Dylan. I grew up in Norfolk, Neb., and got saved through a college ministry while attending Wayne State College. I graduated in December of 2022 and moved to Lincoln after graduation. I worked in the secular world after leaving college, but felt God called me to ministry to reach the lost.

About My Ministry

I am a full-time intern with the college ministry Christian Challenge in Lincoln, Neb. Our mission is to make disciples who make disciples by helping students to commit to Christ, prepare their hearts through the Word and advancing the gospel across the campus.

My focus as an intern will be to disciple individual students, work on reaching the lost and preparing others to reach the lost. I will also be doing work with international students in Lincoln and creating events for students.

PRAY.

Pray for the work the Lord is calling me to do. Pray He would help prepare me and that I would become fully funded so I would be enabled to do this full time. Pray college students in Lincoln would hear the gospel and respond to the Lord. Pray the Lord would continue the work He is doing through Christian Challenge in Lincoln.
