RENAISSANCE CHURCH

About the Family

We are Dylan and Autumn Pentecost, thank you for taking the time to read about how God is at work in our hearts and in Montreal! In early high school we felt a call into ministry. Unsure of what that looked like, we had several Sunday school teachers and our youth pastor pour into us. After each of us took unexpected trips to Montreal through the North American Mission Board's GenSend program, we knew God was calling us to Montreal. We have been together since Autumn was 16 and I was 17. We met in youth group and have had the best time growing up together since. We are from Portland, Tenn., and both attended the University of Tennessee. We made Knoxville home after getting married in August 2017. We love to go to the movies, watch *The Office* and cook together. We are so thankful for the memories we get to make together.

About My Church Plant

We have been chosen to work alongside Renaissance Church. This church is located in Little Burgundy, a neighborhood on the southwest side of Montreal. In this neighborhood there are several young families and immigrants. This neighborhood has a rich history in the arts and was a popular spot for famous jazz musicians to visit. The heart of Renaissance is "love God, love others, and love our world." We plan to come alongside the believers already there and simply give Jesus our everyday lives, seeking to join Him where He is working.

PRAY.

Please join our family in prayer! Pray for the gospel to capture hearts in the Little Burgundy neighborhood and throughout Montreal. Pray for our marriage, for unity and for protection from the enemy. Pray for hearts to be broken for the lost in Montreal and for others to consider joining God at work in this city!

PARTICIPATE

We would love for you to get involved! Connect with us and see how your church can become a partner church with Renaissance. Join the Pentecosts by becoming long-term partners, financially or prayerfully. Pray for the pastoral team and their families as they serve Little Burgundy.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
