

Eduardo Baldaci De Lima

THE GROVE CHURCH

About the Family

I have been married to Kely Baldaci, a graduate in religious education, since 1997 and am happy to have a family who is dedicated to the Lord. We have a couple of beautiful, wise and intelligent children. Gabryella (24) is studying photonic engineering and Cyro Eduarddo (21) is starting college for business in sports.

I became an ordained pastor in 1992 and have planted countless churches. In 2005, I graduated from the Haggai Institute in Maui, Hawaii, in international leadership.

About My Church Plant

I have been a pastor since 1992, preaching the gospel in various layers of society. I love evangelism, leadership and discipleship. In 1998, I met a purpose driven vision to which I committed myself for the rest of my life. My motto comes from 1 Corinthians 9:22. "I have become all things to all people so that by all possible means I might save some."

I love astronomy and use it to talk about Creationism.
