IGLESIA HUNTINGTON BEACH

### About the Family

I am originally from Lombardy, Michoacán, Mexico. I came to the United States in July 1991 to officiate a wedding ceremony. After the ceremony, I was invited to participate in a Bible study in the city of Anaheim, Calif. From that study, I planted my first church in California. Then I worked as an assistant pastor until I started the Huntington Beach Church En Español.

I have two grown, married children. My wife passed away five years ago. I currently live with my daughter in La Habra, Calif.

### About My Church Plant

We are doing the work of evangelism. Every Saturday we distribute food and talk to people about the love and forgiveness of Jesus Christ. In each food box, we include literature about our ministry. Every month we go to the houses in our neighborhood to invite people to our church.

In addition, we have opened a school of music for evangelistic purposes. On Fridays we have a Bible study to nurture Christian maturity. We are planning to have three small groups as soon as the pandemic allows us.
