PRAY.

Pray that Philippians 3:8-11 would be the heart of everything I do. Pray that the gospel would take root in fertile soil at the University of Hawai'i at Mānoa. Pray that student leaders at the BCM would be bold in sharing the message of Jesus and the hope He offers with their peers. Pray for strength and endurance in the personal walks of ministry workers and myself in Hawai'i. Pray that we may remain steadfast in our faith and be protected against the enemy's influence.

About the Family

Hi! My name is Elizabeth Norred, and I serve as a campus missionary alongside BCM O'ahu at the University of Hawai'i at Mānoa. I grew up in Zachary, Louisiana, and I received a bachelor's degree in interdisciplinary studies (concentrations in psychology, communications and human development and family science) from Louisiana Tech University in 2025.

While at Louisiana Tech, I was heavily involved in our Baptist Collegiate Ministries (BCM) and international ministry. That is where the Lord grew a passion in me for reaching college and international students. I love learning about new cultures and meeting people from all over the world. Hawai'i is a great place to do that because it is a melting pot of so many cultures.

In my free time, I enjoy hiking, going to coffee shops with friends and reading a good book!

About My Ministry

Baptist Collegiate Ministries (BCM) is a national organization on several college campuses across the country. At BCM O'ahu, we value discipleship and evangelism as we reach out to the lost students on campus. BCM creates a comfortable environment for students to ask questions and seek answers, experience authentic community, and experience Jesus for who He truly is and how He can change their life.
